Ruth was my great Aunt and while I never knew her, she sounds like she was loved by her close family. Rest In Peace.

Ruth was a loving mother, grandmother, great grandmother and great, great grandmother. She will be missed. She is dancing on the streets of glory with our Lord and all of her loved ones. The Bible tells us "to be absent from the body is to be present with the Lord."

We all loved her dearly. She was an inspiration to all that she met. She always was willing to pray with you or for you.

This is to all of those that don't believe that there is a heaven.

As she was passing from this life to her eternal life she told us, "I can see the angels all around my bed." Then she looked up and said, "You told me that you would be here." There was no one standing at that spot in the room that we could physically see but she could see them.

This is just a few of the things that she shared with us to give us Hope that we to can make it to heaven.

Thank you for sharing this treasure. I was privileged to meet and pray with your sweet mother-in-law this summer and can see her glowing smile especially now. Love and hugs!

Hi, I did not know this lady, but in doing some genealogy research of my family I came across her obituary. She would have been my 2nd cousin1x removed. I am related through her grandmother Sarah Lambert Minton. It is sad that we never had to chance to know each other. Please accept my sympathy
