OUR PAYMENT POLICY

To lose someone you love is a devastating human experience. It is frequently traumatic and can seriously impact judgment. We believe in importance of the recognition and meaningful celebration of a life that has been lived and will assist in arranging an appropriate service to meet your individual needs.

It is also important to be realistic in respect to funeral expenditures. We do not want a family to spend more than they are able nor less than they would like. What is important is that the arrangements be in keeping with a family's wishes and budget. Provisions for payment are due at the time of the arrangements. To avoid any possibility of misunderstanding or embarrassment and for your convenience we accept the following payment methods:
