

Angela Kay Pierce

June 13, 1957 - September 8, 2018

Angela (Angie) Kay Dotson Pierce, 61, of Round Rock Texas, passed away on September 8, 2018.

Angela was born in Commerce, Texas to Doris Todd and Joel Dotson on June 13th 1957. She graduated high school from La Marque and college from Stephen F. Austin University where she met her husband, R. David Pierce. The two married on December 17th 1977 in Nacogdoches, Texas. Angela was a phlebotomist, music and science teacher, but she found her calling as a massage therapist. Angela enjoyed traveling with her husband, David. They took many trips together and enjoyed the outdoors. She was a loving mother to her two children, and loved her grandson. Angie was a kind and gentle spirit with unwavering faith who found happiness in serving others. She was actively involved in her community and church. She was a Shepherd, a Stephen Ministry leader, and volunteered in many other ways as the need arose in her church. She was a Young Living ambassador, performed in plays with The Friends of the Library, taught piano, was a member and leader in the Girl Scouts, and was an accomplished tennis player.

Angela is preceded in death by Dwight Todd Dotson, brother and Joel Dotson, father.

Angela is lovingly remembered by her husband, Richard David Pierce, daughter, Bethany Goulding and husband, Michael Goulding, one grandson, Bradley Goulding, her son, Nathan Pierce and his girlfriend Mandy Willoughby, her mother, Doris Todd Dotson, and numerous friends and extended family.

The family of Angela wishes to extend their sincere thanks to her friends and family for their unwavering love and support.

Comments

“ I was blessed to be able to be in Angela's presence in her last days, her faith never wavered, and her beauty never failed, this world is much poorer without her in it!

“ I will always remember watching her come alive when she was acting in the RRPL Mystery Night plays. She enjoyed stepping out into the shoes of someone fun and outlandish who brought laughter to the audience. She was a joy to work with and to know. I loved watching the whole family grow up and flourish, and to all of you I offer condolences for the loss of her beautiful soul, but also comfort in knowing she is at peace and that she is proud of each of you . Hugs to you all.

“ Angela was a sweet, sweet soul and truly cared about all whom she came in contact with. Her talents and knowledge in the cranial sacral field were outstanding and she had a true gift. She will be missed, but she's with God now and what a peaceful blessing that is. Prayers and condolences to her family. Very sincerely, Barbara Beekman

“ I will always remember the time Angie and I took all 3 of our little girls to East Texas. We stopped and had a picnic on the way and enjoyed the 4 hours of visiting! I also remember how we watched each others little girls when we were just young moms. Such a great loss:(David, Bethany, Nathan and family you have all been in my thoughts and prayers
