

Anthony Hebert

August 24, 2000 - June 19, 2020

Anthony was born on August 24, 2000 in Austin, Texas to Kristen Hebert and Willie Crawford where he lived until his passing on June 19, 2020. Anthony accepted Christ at a young age and went to Shoreline Church.

Anthony attended public schools in Austin, Round Rock, and Pflugerville I.S.D. He worked in landscaping, construction and was actively pursuing his CDL for a career as a truck driver. Jail to Jobs

worked closely with Anthony and he was working hard to establish a positive lifestyle. He was known

for his big heart, fun sense of humor, and the love of playing basketball (he was very good), gaming

and skateboarding. Anthony was also a gifted musician. He loved spending time with friends and

family and they loved spending time with him. Although he had struggled in earlier years, he had

matured and reached out to family members to make amends and reestablish strong family ties. He

chose to use his struggles as building blocks from which to learn and build a better, stronger future

rather than seeing past mistakes as stumbling stones to use as excuses. He was truly a beautiful soul.

Anthony is preceded in death by his father, Willie Crawford; his grandfathers, Lloyd Knox, Willie

Walton, Ruston Hebert; his grandmother, Marie Crawford; great-grandmothers, Betty Chambers and

Eddy Murl Crawford, and his cousin, Marquese Walton.
