

Carol Ann Bundlie

October 7, 1952 - March 25, 2014

Carol Ann Bundlie, 61, went to be with the Lord on March 25, 2014 at the Christopher House, Austin, Texas. She died peacefully in the loving company of her family after a courageous struggle with cancer.

Carol was born and raised in Philadelphia, PA on October 7, 1952 to Michael and Frances Boris, but eventually became an Air Force wife and left to see the world. During her life she lived in Thailand, England and numerous locations throughout the United States ultimately settling in Austin, Texas.

Carol had a full and blessed life. She loved to travel and took advantage of all that life offered, but family and friends were her life's real passion and her legacy. In addition to raising her family, Carol worked for many years in the medical field in various administrative positions including primary and cardiac care. Most recently, Carol worked in cardiac research. Carol loved to serve others whenever she had the opportunity whether that was Girl Scout leadership, reading to the blind or serving meals at the local homeless shelter. Carol was also a faithful member of St. Thomas More Catholic Church, and enjoyed serving as a lector and Eucharistic Minister at Seton Medical Center.

She was a beloved wife, sister, mother and grandmother who gave unconditional love and support to her family. She touched everyone she met in some way. She had a strong faith and showed no fear or regret. Her only concern was for her family. She will be greatly missed by all who knew her.

Carol is survived by her husband of 34 years, Bill, sister and brother-in-law Dee and Vince, son and daughter-in-law, Alex and Sarah, daughter and son-in-law Jamie and Chris, step-daughters and husbands Kristin and Carsten and Summer and Robert as well as her loving grandchildren Nicole, Shawn, Jordan, Ben, Abby and Isla.

In lieu of flowers, the family requests that donations be made to St. Thomas More Catholic Church, Hospice Austin's Christopher House or the American Cancer Society .
