“ My sincere condolences! Our family was very fortunate to have Mr. Cliff as a next door neighbor. The night we all lost our homes in September 2010 not one soul cared about where we were. Mr. Cliff banged in our door yelling my husbands name. My husband went to the door he says get you and the kids out of here the water is rising and it's not safe! Shortly after getting everyone up and to the living room my sons room was destroyed and and hit by a tree. I truly feel like Mr. Cliff saved his life. Mr. Cliff was a great man and he is forever cherished in our family's hearts!
