March 24, 1960 - February 9, 2021

The world lost a beloved woman, Debbie Sue Wiesolek (60), on February 09, 2021 with her family by her side. She was a loving wife to Richard Wiesolek Sr. for 42 proud years. Debbie was a mother to daughter Laura and husband Edward Godfrey Jr., daughter Elizabeth and husband John Shaw Sr., son Richard Jr. and daughter Katie. She raised her children with love and devotion. Debbie was a grandmother to Hayley, Lillian, Brooke and John Jr. Her grandchildren nicknamed her "Geesma & GG". Her favorite thing to do with them was baking delicious cookies. She truly enjoyed the time she spent with them and was always incredibly proud. Debbie had an immense passion for reading. Her favorite genre was romance, particularly novels that were about Vampires, Werewolves, and the Carpathians. Debbie also had a variety of hobbies. She enjoyed drawing, painting, and creating stained glass pieces. She also loved to crochet, sew, bake cookies and crafting. Her favorite activity was visiting the zoo with family. Debbie's favorite musician was Elvis Presley. Anytime a song of his came on, she would immediately begin to sway, swing her arms, and sing. Debbie enjoyed listening to music, singing, and watching musical films. Debbie will be substantially missed by many and will be honored by her entire family. We all will love you forever!

“ God saw you were getting tired and in some need of rest, so he put his arms around you and whispered "Come to me". Although we loved you dearly we could not make you stay, a golden heart stopped beating for God only takes the best. Often, when it's late at night and no one's around but me, my mind will travel back in time to my sister's memory. I wish this heartache would lessen, I wish this pain would be gone. But I can understand why God would want such a beautiful angel in his home.

But sister, so sweet, rest in peace on the clouds above and make yourself at home, for now your time on Earth is done and we must carry on. I miss you big sister; Know that I will keep you close to me, No matter where I go or where I'll be.

Sisters FOREVER!!

FOREVER LOVED, FOREVER MISSED, FOREVER IN OUR HEARTS!!

“ God saw you were getting tired, and a care was not to be, So he put his arms around you and whispered "Come to me". Although we loved you dearly we could not make you stay, a golden heart stopped beating, hard working hands at rest. God broke our hearts to prove to us, He only takes the best.

Often, when it's late at night and no one's 'round but me, My mind will travel back in time to the memories of you and me. They will always be locked in the corridors of my mind and they will be visited from time to time. Pictures I see of you and me make me very happy and sad. But that's all that's left behind, I wish this heartache would lessen, I wish this pain would be gone. 'Til one day I understand why God came and took you home.

But sister so sweet, rest in peace on the clouds above and make yourself at home,  
For now your time on Earth is done and we must carry on.

Sisters FOREVER!!  
FOREVER LOVED, FOREVER MISSED, FOREVER IN OUR HEARTS!!

I wish you sweet sleep, my sister dear.
