

## Eva Villarreal

October 17, 1938 - February 10, 2021

Our beloved mother, Eva Garza Villarreal, passed away peacefully on February 10, 2021, in Austin, TX.

At her request, Central Texas Cremation in Austin, TX. will be handling all of the arrangements.

Her sons and daughters along with their spouses, gathered quietly to honor her memory, remembering all of her goodness. She will forever be a presence in our hearts and never forgotten.

She served her community as a nurse in the Public Health System for many years in the Rio Grande Valley. She later followed her children to the Austin area and continued her nursing career with Travis County Sheriff's Department Correctional Complex. She was retired and enjoying life with a passion for shopping, watching Novelas and spending time with her family.

She had the physical courage and fearlessness to stand strong in the face of adversity. Her determination pushed her to accomplish whatever she wanted in life.

A true believer in our Lord God, the Almighty, she taught us to pray and have faith. Most of all, she taught us that through Him, all things are possible.

She is survived by her children, Daniel Jaime Villarreal, Debora Villarreal Harris (Dwight), Nelda Villarreal (Nancy), Victor Villarreal. Her Brother Pedro Garza and wife, Lydia Garza. Grandchildren, Kayla Heyward, Daniel Gerlock, Katelyn Perkins and Halee Villarreal. Great grandchildren, Braydon Heyward, Brynlee Heyward, Anthony Perkins and many other family and friends.

The family will announce a Celebration of Life for Family and Friends to gather at a later date.

“ I remember when I was little she would be in her room watching novelas. She had the most comfortable bed ever. She had a little box with her jewelry and random little things in it. She would let me sit on her bed and go through every single piece. I would try them on and she would tell me where they all came from. Sometimes she would even let me keep a thing or 2. I loved sitting in grandmas room with her and watching her novelas. She would tell me what they were saying and just talk to me. I didn't get to spend a lot of time with her but I will treasure the time I did get.
