“ If we exercise faith as Enoch did, Jehovah will strengthen us to declare his message in these last days. He will help us to face opposition courageously, and our godly devotion will make us very different from the ungodly. Faith will enable us to walk with God and conduct ourselves in a way that makes his heart rejoice. (Proverbs 27:11) By faith, righteous Enoch succeeded in walking with Jehovah in an ungodly world, and so can we.
