“ Joe I was so very blessed to have you as a brother and even more blessed to have you for my best friend. It was so hard to see you go but I know you are at total peace and suffering no more. You are and always will be with me in my heart.

“ A couple of years ago I had a phone call from Joe. We were on the phone for a little over three hours! We laughed, we cried. What precious memories. Talking to him a few weeks ago he said he and Debra would like to come to Phoenix, ring our door bell and surprise us. Oh how I wish that could have happened. More recently we did the message thing. My last message from Joe was July 26.
Joe loved Debra and his girls and his Grandchildren so much.
What a very special man.
