“ We, the West Oaks ministry team from Hays Hills Baptist Church, send our condolences to you and your family. We will miss Rachel, but draw comfort in knowing that we will see her again when it is our turn to go to our eternal home. We had the privilege of sharing Jesus with her and watching her become part of the family of God. When this pandemic is over, we would love to visit with you and share some of the memories we had with her from our Monday night service and the Tuesday Bible study. We loved her and will miss her.
