

Ruby Carolyn Moy

June 23, 1943 - May 1, 2019

Ruby Carolyn Moy was called Home to her Lord and Savior on Wednesday, May 1, 2019 in Austin, Texas, following a long illness.

Ruby was born in Temple, Texas on June 23, 1943, the daughter of Howard Dillard and Ruby Sessom Dillard. She was married to Anthony Moy for 34 years and he preceded her in death in 1996. Ruby loved her family, especially her 3 children and being “Granny Booger” to her 4 grandchildren and 4 great grandchildren. She loved spending time with them whenever she could and instilling her love for her Lord into them to help lead them to the path of His salvation and redemption. And she believed that even though death will take her body -- she now truly lives and sees Jesus face to face and is dancing with the angels in her forever home!

Ruby was preceded in death by her parents; her husband and her son Andrew Moy. She is survived by her sisters: Hazel and Sylvia, her children: Angela, Alica and Tony, her grandchildren: Shayne, Coral, Allen and Natalie and her great grandchildren: Michael, Johnathon, Christopher and Joseph, she is also survived by many beloved aunts, uncles, nieces, nephews and friends who love her and will miss her.

The family will hold a private Celebration and Memory of Her Life at a later date.

In lieu of flowers, donations may be made to BrightFocus Foundation - Alzheimer's Disease Research or charity of your choice.

“ I love you and miss you Aunt Ruby. I know you are happy now being in heaven with God, Jesus and with Uncle Anton, Andy, Nana , Papa and all the other family members that went before. What a beautiful celebration y'all all had. I hope you know how much you are missed and how much we all love you. See you again one day

“ My Mom, she was truly my best friend. I knew I could always count on her and that she would be there to support me in whatever I put myself into. Even though we may have argued or disagreed she always found a way to make things better and through it all I always knew the Love was always there no matter what. I came to know the Lord first in my teenage years and she thought I had gone off the deep end. But when she was truly saved a few years later, that was when I really learned how I should serve the Lord through her example of giving Him All with selfless caring and loving of others as our Lord wanted us to. I desperately miss my Mom and Friend and will miss her shoulder to lean on and her example to follow. I can only pray I will be a woman of God and follow the Lord as she did. I Love you Mom!

“ Granny Booger was a really big part of my life, she was one of the many people that told me to give others second chances and live your life to the fullest. She also taught me how to love others unconditionally and about the love of God. She always made the best food and i loved spending the night at her house eating pistachio almond ice cream and watching movies from Blockbuster. I truly miss her and I know she is in a better place now.
