

Sharlene Susan Hill

December 16, 1949 - November 20, 2020

SHARLENE SUSAN HILL

Mrs. Hill died November 20, 2020 at her residence in the River Ridge Estates, Killeen, TX. She was born December 16, 1949 in Watertown, NY to parents Ralph and Mary Beebee.

Mrs. Hill lived in Philadelphia, NY as a child until at age 13 her family moved to Mount Vernon, OH where her father accepted a position as Assistant Manager of the Adventist Book Center of the Ohio Conference of Seventh-day Adventists. Mrs. Hill graduated from Mount Vernon Academy in 1967 and then attended Columbia Union College, Takoma Park, MD. She then attended Andrews University, Berrien Springs, MI where she graduated with a BA in Communications and English in 1971.

Mrs. Hill embarked on a career as a high school English teacher in several locations. She moved with her family to Texas in 1981 having resided in Ohio, Maryland and Virginia previously.

Mrs. Hill enjoyed several hobbies, not the least of which was decorating her log home, antique shopping, crafts and creating family photo albums. One of her passions was her two service dogs, Stevie and Liberty whom she helped train and had for 18 years. Her twice daily trips through the neighborhood with her dogs was a highlight of her life.

A benign brain tumor left Mrs. Hill confined to a wheelchair for 30 years from 1990 until her death, however her spirit of independence helped her overcome her disability. Overcoming her disability and achieving independence was an inspiration to all with whom she came in contact. She was a kind and loving person reaching out to help anyone in need. She enjoyed Bible study, reading religious books, and was a dedicated member of the Killeen Seventh-day Adventist Church and a member of the BSF bible study fellowship for several years. She was a loving wife, mother and grandmother.

Survivors include her husband, Max, of 50 years, two daughters, Amy White, Springboro,

OH and Tracy Poblacion, San Luis Obispo, CA, sister-in-law, Lou Ann Cross, and 5 grandchildren.

A Celebration of Life may follow at a later date. Mrs. Hill appreciated the service of Kindred Hospice.

In lieu of flowers, donations to 3ABN Television Network, P.O. Box 220, West Frankfort, IL 62896 in her name would be appreciated.

Comments

“ My mind always goes to a 4 yr old Sharlene when I start to think of her. She was the most beautiful girl child; A competitor to Jon Bonet.. Her strawberry blonde/red hair was so curly and we often put it in ring let's. She was petite . a tap dancer and very intelligent. I used to feel sorry for her and all the children at mealtimes because they had to have at least a small portion of every food for the meal and Ralph made them sit there until it was eaten! I didn't get to know her as a teen or adulthood until I visited you all.
