“ *I have fond memories of her. The most were when I would try to emulate her dark red lipstick. It never looked right...smeared at times. I would ask, "how does it look?"... She said , "it looks good!"...even when it didn't. She would look at me at do her smile. That smile that would always make everything seem alright. No matter what was thrown our way. She would just give that smile and always put forth her best side .*
