

Dr. Andrea Elaine DaCosta-Guidry

September 10, 1972 - April 26, 2024

Dr. Andrea Elaine DaCosta-Guidry, a Killeen, Texas resident, peacefully passed away on Friday, April 26, 2024, surrounded by her loved ones.

Originally from St. Catherine, Jamaica, Andrea was affectionately known by various names: Angie by her older siblings and classmates, SPC DaCosta, and Ande. However, above all those names, she cherished being called Mommy by her daughters, Aldria and Kodia, grandma by her grandchildren, and most importantly, WIFE by her beloved husband, Donald Guidry.

Andrea's upbringing took place in Linstead alongside her siblings. After graduating from Bog Walk High School, she moved to America to create a better future for her daughters. Andrea's journey led her to the World Trade Center in New York, and later she served in the US Army where she was medically retired. Undeterred, she continued her career as a contractor in Afghanistan. Despite facing numerous challenges, she remained dedicated to her education and eventually achieved a PHD in Business Management, earning her the title of Doctor Andrea DaCosta Guidry.

Andrea was preceded in death by her Parents Clifford and Sarah Palmer, Father-In-law Warren Guidry Sr. and Niece Uniqua Domingo.

Those who remain to honor Andrea's memories and legacy are her caring and

dedicated Husband, Donald Guidry, along with two Daughters, Aldria Rose (Drea) and Kodra Alexander (Kody). Also, two Stepsons, Donald Jr. and Jeremi Guidry, and Stepdaughter Sereniti Guidry. She is remembered by her five Granddaughters: Ayva, Amara (Juicy), K'Lanie, Kenzlie, and Lyric, as well as two Grandsons, Von and Truth. Andrea is also survived by four Sisters and four Brothers.
