

Angela Faye Porfirio

March 29, 1950 - April 21, 2022

Angela Faye Porfirio, age 72 passed away on Thursday, April 21, 2022.

Angela was born in Austin, Texas on 3-29-1950, to the late Pearl and Angelo Porfirio.

Angela was their fifth child and attended St. Mary's elementary and left school in the 7th grade to work at her fathers' employer Independent Oil to help with family expenses. She finished her career with Wayne-Dresser- until poor health led to her living on disability.

Angela enjoyed sports and excelled at fast pitch softball. A great competitor and was willing to take on challenges. Angela loved the Texas Longhorns and cried with joy and disappointment if they did not prevail. Angela saved the Longhorn's Women's 1986 National Championship newspaper as well as The First Hundred years of UT Football.in the Austin Statesmen in 1992.

Angela loved spending time with family and friends. We shared many family reunions including joint ones with the Ruiz family over the years. Although she limited in her travel she kept up closely with her nephews and nieces play their baseball, soccer, football and would tell anyone how good they were. or sports. She loved traveling to West Texas and believed in Marfa lights and made a trip or tow to Binghamton NY. to visit friends there

Angela has many friends (Dave, Nancy, Marsha, Patricia, Rudy etc. etc.) at

RBJ where she lived for the past 8 years. She was truly special to her friends there and especially enjoyed her writing group. She wrote a great deal and some of her works were published. Writing for her was an outlet for thoughts she didn't share or just wanted to put down on paper to better share what she felt. She was a member and supporter of The Badger Dogs, as well as being a part of BASTA. Angela was known for sharing a meal, some conversation and an occasional tantrum, who doesn't. She loved conversations with Dave, Marsha and neighbors Patricia and Nancy who was a great help to her. Those mentioned are just a few who we know cared and helped her during her physical struggles of the past few years.

Angela shared this conversational tone with many of her nieces and nephews, it was kind a her thing...she loved her nieces and nephews and great nieces and nephews. Santo was blessed to have had a Great Nephew named after him, Jeremiah Santo Jett, born 8-1-1981 he passed on 10-17-1981.

Finally, but by no means the least St. David's Staff, especially Dr. Cardenas, who so compassionately cared for her and guided us through a trying time, he will always be her NBF. Imagine your doctor, who is the St David's Medical Center Director, fulfilling her request for some ice cream by going the dining hall and bringing it to her personally, special! A truly caring group of professionals who showered kindness and care on Angela and her family.
