“ *Brenda, I must say thank you for enriching my life with fun, crazy times when we worked at the phone company. We have lots of great memories there and blessed that we kept in touch when you moved. We shared everything that two girlfriends can share, from the good to the bad. I knew her secrets, her crushes and her fears. She was the same for me. We had no secrets, never lied to each other, were always brutally honest and full of respect. She would always lend an ear when things were tough for me. I'm forever grateful for the memories that I will cherish forever till we meet and again.*

My dear friend, you left us too soon, but your loving presence will endure forever in our hearts and souls. Love you friend, Nancy Sanchez Ramirez
