

Carlos J. Gonzales

August 11, 1965 - February 2, 2023

Carlos J. Gonzales Jr. 57 of Georgetown Texas passed away February 2, 2023 of complications with Cancer. His wife, Julie, was by his side. Carlos was born in Pasadena California on August 11, 1965 and moved to Spicewood Texas in 1999 to join his father, Carlos J. Gonzales Sr. in the family business. Carlos made many friends there and started apprenticeships in home construction, becoming an accomplished carpenter.

Carlos insisted on driving his 1995 Ford Explorer, always in need of repair. He took it as a personal challenge to do all of the needed maintenance himself to keep it running and felt a great sense of accomplishment in doing so. Unsurprisingly, trading it in was never an option.

He met his wife Julie Bunch and married her June 30, 2004, where they happily shared their lives and workday experiences. Together, with Missy the Chihuahua, they loved to travel and spend time together on the water. Carlos remained very close to his family and kept in regular contact with his brothers Joe and Ernest in Texas, and his sisters Anna Hopper and Angie Fink in California. He was especially close to his Mother Dolores Gonzales of Alta Loma California. Carlos is survived by his children Alisa, Jonathan, Alexandria and by Julie's children Faylynn, Kenneth and Zachary. He is also survived by his closest friends

Lee, JB, and Larry.

We are working on getting the memorial planned and will keep family and friends updated.
