“ To Cathy's family: I remember most of all Cathy's kindness. She was always so sweet to me, especially in 6th grade at Benbrook Elementary. I was a shy child and Cathy made it a point to share her kindness. The world has lost an angel. I hope that you derive great comfort in the memories and the imprint she left on all of you. God bless you. Laure Skiffington O'Neal

“ *I was always stunned that a girl/woman could be so beautiful. She was always so friendly no matter who you were. She was one of those that had beauty both inside and out.*
