

Christopher Powell Cloud

November 30, 1968 - February 10, 2023

Christopher Powell Cloud, 54, of Pflugerville, Texas, passed away suddenly on Friday, February 10, 2023. Chris was first and always an artist. Art was a talent he discovered in elementary school. He went on to win Best of Show in the Houston Livestock Show and Rodeo Art competition during his middle school years. He pursued his passion for art and made a career of it. Painting was his passion. His main focus was acrylic on canvas, and his fans truly admired his work.

He loved music and attending concerts. Like his art, his favorite music provided him a way to express his emotions. There are many songs that will forever carry meaning to his loved ones because of Chris. He was a son, a brother, a father, an uncle, a nephew, a cousin and a friend. His family, friends, and devoted fans of his art miss him dearly.
