

Constance L. Clark

August 6, 1950 - May 19, 2025

Constance Clark passed away at home in Lago Vista, TX on May 19, 2025.

She was born in Kearny, NJ on August 6, 1950 to James and Mildred Clark. Her early years in New Jersey contained sweet memories of her grandmother Ruth and other close family members. As a child she struggled with asthma which led her parents to move the family to Arizona for a healthier life. Enjoying life in sunny Arizona, Connie graduated from Chandler High School in 1968.

She married soon after and had her first son James. She moved to beautiful southern California where she had her second son Jordan. Only staying a few years in California, the family moved back to Phoenix where Connie had her last son Jeremy. As the boys grew in a city which constantly changed, it was best for them to enjoy life outside of the busy city and thrive in a more rural setting of Florence, Arizona.

During Connie's young life, she enjoyed various job roles like working at the Revlon factory, helping customers at the Rent-A-Flick shop, being the Queen of Circle K in Florence, being a US Mail carrier delivering mail around the outskirts of town. But what she enjoyed most was being a domestic engineer and raising her three boys to all be successful men.

In her later years, she worked as a corrections officer at the CCA prison system in Florence until she was no longer able. At such a time, it was best to retire early and move to Texas to live with her youngest son and his family. There she carried out the rest of her years being a Nana for her granddaughters after school and spending time with family.

She is preceded in death by her parents James and Mildred Clark, her baby sister Amanda, and her older brother Jim. She is survived by her sister Maureen Kaler; her sons James Parsons, Jordan Parsons and Jeremy Parsons; a daughter-in-law Shauna; grandchildren Elijah, Brock, Grant, Casey, Ryleigh, and Paige; and great grandchildren Kastiel, Lila and Jordyn.

She was greatly loved and will be greatly missed.

“*Connie was a dear friend of mine when I lived in Phoenix many years ago, and I'll never forget her. We attended Bible Study together, bowled on a league together (she always beat me!), and hung out together as good friends do. I'll miss her big smile and laugh, and I'll miss her 3 boys who are now grown men with families. My condolences go out her family and friends. Debbie Anderson*
