“ I worked with Cindy for several years in round rock. In the recent years I got to see her every time I went caldwell heights. Cindy Always greeted me with a smile and always asked about my girls! She loved telling stories about her grandchildren. Cindy was an amazing bright light and one of the kindest people I have ever met. I will miss seeing her smiling face and getting to chat with her. Prayers of peace and comfort to the Molina family.

“ I really enjoyed working with Cindy. She was funny and smart. She made me laugh. She made me smile. She was a joy to see every day. I miss her every day I go to the school. I find myself just standing near her desk and pretending she just stepped away for a minute. We all miss her lots. ❤️

“ We will miss you Cindy. Especially around Christmas time for Jon when he would watch the Christmas movies with you and Fred. Ava enjoyed your company, sweet thoughts and gestures always. I will miss the conversations and the laughs.
