February 26, 1950 - February 13, 2022

Darvin Gene Wahrmund, of Kingsland, Texas passed away peacefully on February 13th, 2022. Darwin was born February 26, 1950 in Fredericksburg, Texas to Elgin and Cora Wahrmund. He lived most of his life in the Austin Area, with the last 8 years in Kingsland. He loved being near the lake and was blessed to spend the past 25 years with the love his life, Diane O'Brien. They both enjoyed boating, fishing and spending time with their Friends and beloved Grandchildren. Darwin could also be found in his garage tinkering with any kind of motor he could find, as his passion was always fixing cars. This passion and career is the way he met and fell in love with Diane when she brought him her vehicle to fix many years ago.

Darvin is preceded in death by both of his parents, his mother in law, Carol Feser, his brothers Curtis, Roland and Wallace Wahrmund, and two sisters Elaine Wahrmund and Connie Little. He is survived by his wife, Diane O'Brien, son, Justin Martinka and his partner, Emily of Liberty Hill, son Randy Hunt of Horseshoe Bay, son Patrick Hunt of Georgetown and grandchildren Michael, Aubree, Milo, and Kira and Leia. His four legged best friend, Mr. Weller will miss him as well.

A celebration of life will be held at a later date as Darwin would have loved a

party instead of a service with sadness.
