“ Dave and I were great friends throughout high school and after.

*There were 4 of us that were inseparable; Dave, Michael Pikul, Bob Pfeifer and myself. Last time we spoke was about 10 years ago. Dave had called me and said that he and Sylvia may be returning to Cleveland to live. Knowing how things change, I guess it wasn't meant to be. My wife (Linda) and I want to send our condolences and want to let the family know that he did have many great friends here in Cleveland and will be remembered as a "old buddy". We also want to thank him for serving us and his country in something that he talked about with respect. Now it is his turn to get the respect that he truly deserves. Good bye friend.*
