“ *As growing up as your son as a little boy. We were pretty close well,
worked at Disney building epcot for 11 years. Then then later on in
life after your mom separated. We didn't contact each other that
much. And I'm sorry about that. I know you have tried to call me
many of times and I have ignored your messages. I'm sorry, dad I
love you. What's out of my heart. I'm sorry, I am so bored doesn't
make sense. I'm surprised I can even write this without them. Trying
to charge me. I love you dad be a piece*
