

David Alan Walker

April 4, 1989 - June 15, 2023

David Alan Walker, born April 4th, 1989, in Fort Benning, Georgia to Cary and Sheila Walker, left this earth for his spiritual journey on June 15th, 2023.

David was a 2007 graduate of Tatum High school in Tatum, Texas.

Immediately upon graduating, David reported to Fort Campbell, Kentucky where he was assigned to the 101st Airborne Division. David proudly served in the United States Army from 2007 to 2009 including a tour in Afghanistan.

David had a lot of loves in this world. He loved sports, fishing, video games and riding motorcycles with his dad. But David's greatest love in his life was his son, James David Walker, 13 of Clarksville, Tennessee.

Along with James his son, David had a great love for his family. He very much admired his Dad, his Brother Nicholas Wayne Walker, his Sister Shawna Marie Walker and his Sister Kimberly Ann Walker-Anderson. He looked up to each one of them as his heroes. David also looked up to his ex-wife Rebecca Jean Walker, for she is his greatest hero for raising their son.

David also loved his girlfriend of 4 years Cheryl Zamora and her daughter Zoey. Cheryl stood by his side until the end.

David had a smile that would light up any room, and a beautiful laugh to go along with that. He was a gentle soul and had the heart of an angel. He always was the first to help others, putting his needs to the side, regardless of the situation.

David was preceded in death, by too many to mention, and survived by too many as well. However, David loved each and every one of them with all of his heart.

Fly High David, for you have finally been set free. You found the peace that you so desperately desired. May you rest forever our love.

Love Always, Dad and Mom

🖤 So this is it
I say goodbye
To this chapter of my ever-changing life
And there's mistakes
The path is long
And I'm sure I'll answer for them when I'm gone
So when the day comes and the sun won't touch my face
Tell the ones who cared enough that I've finally left this place
That's been so cold
Look at my face
All the stories it will tell I can't erase
The road is long
Just one more song
A little something to remind you when I'm gone
When I'm gone
The road to Hell
Along the way
Is paved with good intentions, so they say
And some believe
That no good deed
Goes unpunished in the end, or so it seems
So when the day comes and the sun won't touch my face
Tell the ones who care enough that I've finally left this place
That's been so cold
Look at my face
All the stories it will tell I can't erase
The road is long
Just one more song

*A little something to remind you when I'm gone
When I'm gone
So this is it
I say goodbye
To this chapter of my ever-changing life
And there's mistakes
The path was long
And I'm sure I'll answer for them when I'm gone
When I'm gone ❤️ Song By: Staind*
