“ *To the Mystery Man,
I am so glad our paths crossed many times in life. You will always
have a place in my heart.*

*To my family,
May our Lord, Jesus comfort you as you go through the coming
days. Steve and I have you in our thoughts and prayers.*

“ There's no doubt Dave was a top rate photographer. One of the last projects he helped me with as editor of the Forensic newsletter was setting up a nice portrait of the four then-pregnant women in the lab, which picture appeared in the Winter 2011 issue. The photos were just wonderful! He will truly be missed.

I do like to recall at times like these that Jesus promised a resurrection, literally, a 'standing up again'. David will one day be able to enjoy perfect health and endless life on a beautiful cleansed earth, where he can take pictures of Jehovah's many productions endlessly (Ps 37:10,11, 29).

“ Carol,

So sorry to read of David passing away. It has been years since I have seen you, but I always remembered the Woodruff Family from my Dads Gas Station. May God Bless the Woodruff Family.

“ Pop,

I try not to regret the past for it is an act of futility, as the past cannot be changed. Instead I look forward to the future when I will see you again.

I Love You and Miss You

David
