Our beloved beyond beautiful Delilah Ann Guzman from Dallas TX raised Cliff 33 years young infamous for her piercing green eyes . Delilah lived a short, eventful life with the time she was on this earth. She was blessed with four handsome sons older Jaden Guzman Gallegos 16, Elijah King Rodrigues 10, Jorge Alberto Hernandez II 8, younger Isaiah Angel Hernandez 3. She has left us her legacies of her on this earth that we will forever cherish. Delilah's family dad Manuel Solis Guzman III, mother Dorothy Ann Guzman, older sister Diana Guzman and little brothers Dominic Guzman and Mikeal Guzman and also her oldest sibling Dimitri DeLaGarza currently in heaven. Delilah enjoyed traveling everywhere she was a free bird. She was very talented as a artist who loved painting. She was an amazing cook for anyone she deeply cared for. She loved taking pictures and was very photogenic. Delilah extremely loved all her extended family members in her own special ways. When she reached out, it would be one of the most real conversations you could ever have. Her laugh was like no other, you can still hear it now if you knew her. Regardless of her struggles in life, most of the time she left a lasting impression on those around her. And whomever was fortunate enough to cross her shining paths. Her free spirit and known caring ways impacted lots of lives in her presence. She was a strong willing young woman, made an effort to go out of her way for a friend in need that was her mission. She cared for her four boys deeply and loved them endlessly and unconditionally they were dear to her heart. Her boys were the greatest gifts of her existence. As a condolence to her family,

we firm believers that we will see our Delilah again in heaven. A host of angels were there for her final moments. She was a believer in her Christ, the savior in the end. We know as her surviving kindred that she was lifted by the holy angels. Our Delilah lives and remains in all our hearts and memories. My savior wiped away her tears and exclaimed a still little one no more pain or sorrow it is done come up thee hither, my beautiful soul soaring now in everlasting peace.
