“ I met Dom at Bart's Retirement ceremony in Key West. I picked up on his personality quick. As you know it was hard not to. As we were going to various bars on Duval Street, Dom was MIA for a bit and everyone started asking, "Where's Dom?". My answer was "He heard that there was someone in Key West that he hadn't pissed off yet and he went to find him". When he heard that, he loved it and laughed hard. Then of course he wanted to know who he had not pissed off yet.

The guy was awesome. An asshole in the truest (and finest) sense of the word to be sure, but an awesome Dude!
