April 2, 1938 - July 11, 2024

Donald Ray Hoskins a loving husband, father, grandfather, and great-grandfather, peacefully passed away on July 11, 2024. Born on April 2, 1938 to J.V. "Bill" and Edith Hoskins in Lolita, TX, Donald lived a fulfilled life filled with an abundance of love, laughter, and accomplishments.

Those who knew Don could attest to his warm and generous nature. With a smile always on his face, he lived every day to bring joy to those around him. Don was much more than a wonderful husband and father. He was a friend to many; his kindness and generosity were unmatched, his legacy.

Don was a man of many interests, but above all else, he cherished spending time with his grandchildren. His passion for collecting classic trucks and cars was only surpassed by his love for riding around his property with his dogs. Don also loved coaching his son, Scott's,

Little League team year after year. Don was also a beloved municipal judge in Blanco, TX and in his spare time you could find him socializing on the golf course.

A life well-lived brings a treasure trove of accomplishments. For Don, some of his proudest moments included being an esteemed husband, a proud father, a doting grand and greatgrandfather. Not to forget, being voted Most Handsome at Industrial High School, a title he carried with pride and humor.

He leaves behind a family who loved him dearly: his loving wife, Christine Hoskins; his son, Scott Hoskins (wife Candy Hoskins) of Sattler, TX; his daughter, Marcy Coons (husband Wade Coons) of College Station, TX; his sister, Carole Donaldson of Richmond TX . Don also leaves behind his stepchildren, Susan Edgley, Dr. Heather Edgley, and Meredith Edgley, along with their partners, Michael Dundon and Dr. Calvin Bard. He also leaves behind his pride and joy - 12 grandchildren and 6 great-grandchildren who stole his heart.

Don was a man who was loved and respected by everyone he met. He demonstrated what it meant to live a life of purpose, and his memory will forever be etched in the hearts of those who had the privilege to know him.

“ Don and Cristie were my next door neighbors for about 15 years in Cushing, Texas. We made best almost immediately. We worked together to add a large addition to his house. At times we would be mowing our yards at the same time, we would eventually meet the back yard and have a cold beer.

Perhaps the funniest thing that he did to me was in my garden. I was trying to grow watermelon, but couldn't figure out why no melons would grow. Don came over and ask about my melon crop! I said “terrible, look I'll show you.” To my surprise, under one of the leafs was a beautiful watermelon!! I got all excited and was shouting with excitement!! I looked at Don and he was rolling laughing!! He had went and bought a watermelon and put in my garden!!

When we started a small church, Don was first to be on the Board of Directors.

He was great man and a dear friend!

I miss him!
