

Donna Michelle Cox

July 20, 1967 - December 18, 2019

Donna Michelle Cox was born on July 20, 1967 in New Hampshire. She was found deceased in her home in Austin Texas on December 18, 2019. She was 52.

As a young child she enjoyed her siblings and being silly, making them laugh and smile. She was always there to support and encourage. In her high school years she competed in both basketball and volleyball and brought her North Middlesex High School team to win state championships many times. She met and fell in love with her husband at age 16 and later they married, and had three beautiful girls. She adored her children, enjoyed working night shift with her husband at Chemfab in Manchester NH, and loved riding motorcycles with her husband. After the loss of her husband and lifelong love in 2001, Donna moved from NH to Georgia, to Texas and everywhere in between, making friends at every stop along the way. Life was difficult, but Donna always found a way to try and remain positive and keep fighting on. For many she was the epitome of strength and encouragement. Although known to have struggled with many afflictions here on earth, it is believed she will be graciously welcomed in Heaven, will no longer be in pain, and finally be at peace again. She believed in Jesus, and in the end prayed and studied scriptures daily.

Preceding her in death are both parents: Lucille Patricia McKinnon, and Donald Michael Ayotte Sr., Her beloved husband: Ronald Charles Cox Jr., Her brother: Donald Michael Ayotte Jr. She leaves behind her three daughters: Kristina Cox and her children; Jennifer Haller, her husband Charles and Children; and Dawn-Marie Cox and her children. Her brother Michael Ayotte, and sister Georgiana Losh. Many nieces, nephews and friends whom will miss her deeply.

In Lieu of flowers, please send donations to Austin Recovery in Donna's name.

Private services will be held on 1/18/2019.

“ I met Donna on the computer ,we was watching Compassion church online and we became close friends fast. We prayed for each other a lot, She use to live in Tn. but I never met her ,then moved to take care of her mom. She was a wonderful person. She had a little grandson living with her and he was the apple of her eyes. Lord this hurts so bad .I didn't know she had passed away now I understand why she didn't answer my post to her. I love you Donna R.I.P. my dear sweet friend

“ I love you my sister-in-law! Shortly after my brother passed away one our nieces graduated from boot camp in San Antonio, Tx. It was me, Donna and of course the proud mom (Billie Jo). We had the best time. We were still grieving our brother, husband but the three of us had the best time. I love you so... much and I miss you! But I know you are at peace because you are where you've wanted to be for a long time. Rest in peace until we meet again. Love forever,

Midget
