

Donna Lynn Miley

September 17, 1952 - July 4, 2025

With heavy hearts, we announce the passing of our beloved grandmother, Donna Lynn Miley, who left us on July 4, 2025, at the age of 72.

Born on September 17, 1952, in Missouri, Donna lived a life filled with love, laughter, and strength. She was the heart of our family, always offering comfort, wisdom, and her warm smile.

She loved God, reading her mom's bible, her dog Scarlett, fresh flowers, and her greatest joy came from spending time with her grandchildren and great-granddaughters, especially when everyone came together to see her during her favorite season, Christmas.

She is survived by her sister, Denise Ellis, her daughter, Tina Miley, her grandsons James and Nathan Sadik, and her great-granddaughters Ellanore and Elowen Sadik. She will be deeply missed by all who knew her. Her legacy of love will live on in each of us.

Her life will be celebrated on July 8, 2025, at Round Rock Cemetery. We invite all who loved her to join us in remembering her beautiful life.

“ Donna truly loved family , friends and life. She and I shared our grandchildren and great grandchildren. We loved the spark that we saw in each others eyes and felt in our hearts, that glorious love for our Lord Jesus Christ was so contagious, we would smile and touch our heart at the presence of the Holy Spirit . We laughed together and shared the greatest gifts of life “ Our children, grandchildren and Great grandchildren . When we gathered for Holidays , birthdays , she would come in with so much food, one might have thought she is feeding the whole town . Four weeks ago Donna made the best Chicken Tortilla soup I have ever tasted. We ate it for two days. Donna told me she felt very blessed to have her grandchildren move her into their home to take care of her . She shared with me “She loved to hear the greatgrand children Ellanore & Elowen sing to her, and listen to them talking and playing.” Donna you are now in the presence of the Lord God Almighty , hearing the angels sing and worship without stop our Most High God , You fulfilled this life and the life’s of so many with your love and kindness. Your Legacy goes on and you will be missed , give Jesus a hug & kiss from your family and me. I will look up to the heavens for a new sparkling Star that’s you Donna. Loving you and family Forever, Gloria
