Donna Lee Saxton

June 19, 1944 to October 4, 2024

Donna Lee Saxton passed peacefully from this life on October 4, 2024, at her residence in Killeen, Texas. She was born on June 19, 1944, at Seton Hospital in Austin, Texas, to Donald and Evelyn Headley. She graduated from Richland High School in Fort Worth in 1962. She worked several jobs over the years, including management of a U-Tote-Em convenience store. As a single parent, she worked as a sales associate/cashier at various department stores. She often spoke of pleasant time spent managing the candy counter at Woolworth in the Mid-Town Mall in Killeen. She was a Substitute Teacher for many years for KISD, and she enjoyed working with children in the elementary schools.

Donna loved to dance, and she was a dance instructor at Cody's in Harker Heights in the 80's. She enjoyed bowling on a league for several years. She had a green thumb, enjoyed crafting, collected snails, and she was an avid Trekkie. She was a good cook and a wonderful hostess, always looking forward to gatherings of family and friends. She was an animal lover, and she always had a dog. She was especially fond of her Pomeranians, Fuzz and Gizzimo. Her most treasured memories were of special times spent with each of her grandchildren.

Donna married Dusty Saxton, the love of her life, on November 16, 1987.

They enjoyed 36 years of marriage, and they shared many great times and

adventures together.

Donna is survived by her husband, Dusty Saxton, of Killeen; her son, Tom Cumming and his wife, Wendy, of Harker Heights; her younger brother, Gary Headley, of Mesa, Arizona; her three grandchildren, Jason Cumming, Emily Cumming, and C.J. Frederick; and one great grandchild.

Details for a Celebration of Life and interment at the Central Texas Veterans Cemetery in Killeen are pending. Affordable Cremation and Burial Services handled the arrangements.
