Sir, my name is Gary Wayne McGregor, I would really like to talk with you about Earl Wayne Goldman. I've recently been told after 58 years that this man may have been my father? Did you by chance ever know a Sheila McGregor or of a child he may have had with her? Please contact me through my gmail address at garys8333@gmail.com and we can exchange phone numbers then if you'd be willing to talk with me. I'd very much appreciate it.

“ I met Earl & Faye back in the early 70's through Faye's sister, Dana. I was probably 10-12 years old at the time. They immediately became "Aunt Faye and Uncle Earl". Although I haven't been in touch for several years, I have always remembered them both fondly.

My heart goes out to all of the family, and prayers are being said that you are able to find peace during this sad time. His smile, kindness, and love of family will never be forgotten.
