

Edmund Edwin Dusek

May 6, 1934 - August 31, 2018

Edmund Edwin Dusek, born on May 6, 1934, passed away on Friday, August 31 after a battle of complications from the advanced stages of Parkinson's Disease. His parents were Edmund Felix Dusek of Ammannsville, Texas, and Matilda Anne Janicek of Schulenburg. His grandparents/great-grandparents were Czech and German immigrant farmers who settled in the area at the time and who have brought Czech heritage and culture to the history of Texas. Ed started school when he was five, at St. Rose Catholic Elementary, in Schulenburg, where he was also an altar boy. When he was eight, he and his parents moved to San Antonio so his father could work at Kelly Air Force Base during WWII. In San Antonio, Ed attended St. Leo's Grade School through the seventh grade and then attended Harlandale Junior/Senior High School, where he graduated high school in 1951.

Ed then attended St. Mary's University in San Antonio his freshman year, then transferred to Texas A&M University, graduating in 1955 as a Distinguished Military Student with a BBA in Marketing and a commission as 2nd Lt. in the United States Army. He spent two years in active duty in 1957 and 1958 in the Quartermaster Corp at Ft. Lee, Virginia, and Munich, Germany. After active duty, Ed served in the Army infantry reserves, attaining the rank of Captain before ending his reserve service.

Ed worked for Sears, Roebuck and Co. in retail store management. He started in 1955 with the company's Executive Trainee Program and worked his way up the corporate retail ladder to retire 39 years later as the District Manager

for Sears in central, south, and west Texas. Fourteen years of Ed's service time with Sears was spent in Sears International Operations. Ed and his family lived four years in Madrid, Spain, seven years in Mexico City, and five years in Chicago.

After retiring from Sears, Ed moved from San Antonio to Austin, to be closer to family. He was a consultant, while obtaining a Master's degree. He later worked at Westwood High School where his granddaughters attended high school. He was a self-taught musician, having played in a jazz band when he was young, and learned to play the guitar, flute, and clarinet. He loved to cook, work on cars, and was an excellent wood-carver. He was young at heart, and for his 70th birthday, got himself a Harley Davidson motorcycle, which he rode for several years. He was very active in Rotary Club and A&M Ex-Student Association. He was proud to be a Texan, an Aggie, and of Czech heritage, and being with his family was the most important.

Ed is survived by his two daughters and three granddaughters. His daughters are: Cheryl Sanders and husband Lance, of Austin, Laura Murphy and husband Colin, of Augusta, Ga., and granddaughters: Allison Sanders of Austin, Madison Broussard and husband Josh, of Houston, and Catherine Murphy, of Augusta, Ga.

Ed requests it be known that he attempted to do well as a son, husband, father, and grandfather during his time on earth. There is no doubt that he achieved all of these successes in life, and he was dearly loved by all who knew him. He will be greatly missed. Thank you to Buckner Villas and Hospice Austin for making his last days comfortable. A memorial will be held at a later date. Donations in his honor can be made to the Parkinson's Foundation.

“ *I haven't seen Ed since I left teaching 11 years ago, but I thought about him today. I was talking to someone about what a treasure substitute teachers can be. I was very saddened to find that he had passed. He was an amazing person. He was kind, calm, and professional. He always carried a paper planner and when we saw him in the hall or in the teachers lounge, he was the one we chased down to schedule him to sub. I doubt he was ever able to make it very far without someone stopping him. I was a Spanish teacher. Our students were always surprised to discover that he spoke Spanish and I could tell it brought him joy to have an opportunity to use the language. I always enjoyed and appreciated him, as did the rest of the staff at Westwood.*

“ Ed and I worked together with Sears in Spain, where we became good friends. He had an amazing work ethic. I only saw him sporadically after that. Once, when he was the store manager of Sears in Brownsville, Texas, I surprised him with a visit. We had a great time together, and I always remembered him on his birthday. He was a good friend, and I'll miss him. Reg Doherty 6106958899 Direct

“ I got to know Ed while he was a resident at Buckner Villa. While being taken care of at Buckner, he found ways to take care of those around him. He showed interest and concern in both staff and other residents. I know because my mom was one of them. Ed is just one more of those friendly faces that will greet me when my time comes.

“ From Lorri Osher McClain: I'm sooooo sorry about DooDad. Some of my favorite Sewanee memories include him Laura. Driving us into the hotel lobby like it was the normal thing to do, "what stairs?", and he was such an amazing father who loved his girls so much!!!! He will be greatly missed.

Laura Murphy - September 05, 2018 at 09:24 AM

“ From Hildreth Stafford, paraphrased: DooDad was a hoot. He made everything he did fun, and I'll never forget how much fun our trip to Mexico was. We had a wonderful time any time he came up to Sewanee and to Atlanta, and he was always so kind. I know you will miss him terribly.

“ *Laura's original post on Saturday morning:*

It is with great sadness that Edmund E. Dusek (DooDad) has left this world after a 3 year battle with Parkinson's and related complications. He was such a great father, and was the reason why all of my friends loved coming over to our house when I was growing up.

He was the first in his family to get a college degree, then served in the Army as Captain, returning from Germany to begin a long and successful career with Sears Roebuck. He moved up the corporate ladder through his hard work, great smarts, operational efficiency, and sense of humor. Retail being retail, he often worked 6 very long days a week, yet still found time to spend with the family. Now that I'm a parent, I understand the sacrifices that he made to spend time with us. He took me to my ballet classes, horseback riding, and he played many many board games and chess. Although he would often deny it, I know that he let me win at Mastermind. Always an eager learner, he had a great way of mixing in some education into our weekend trips that we'd take as a family to learn more about the new location Sears had sent us every 2 years. He spoke 5 languages, was a complete gentleman, and was the best father and grandfather that anyone could ask for.

DooDad, we miss you - have missed you through your progressive Parkinson's degeneration. There are far fewer laughs and smiles now that you have left us. I know you'll be making everyone in heaven laugh out loud, but watch it, because I'm not sure if the puns have a limit up there...Please hang out with Gary since you were like a father to him too, try to keep Loretta quiet, and find Buffy and Frieda please.
