“ Ms. Parker was such a wonderful person! She always looked out for others and offered a big hug! When my mom passed, whom she met, she said she was my other mother❤️. She was so kind and thoughtful! She will be truly missed!

“ Eileen was a sweet, considerate, passionate member of Chapter 94 who served superbly as the Treasurer while I was President. She could always be counted on to support every function; driving in parades (always with her family with her and us). She drove me around after my accident and surgery as well as travelled with the members to support passage of Women Veterans Day. Even when her health challenges surfaced, Eileen still kept up with chapter members and activities. We will miss our Sister, Eileen. Adrienne
