“ *Esther was a joy seeing each day at work. She at American Printing and me at Perry Office. We ate many days in the lunch room at American Printing and shared many laughs. I worked at Perry Office starting in 1979 and retired in 2014. We had many laughs through the years and my only regret was not stopping in and visiting her after I retired. May God comfort each family member as you go through this time of grief. Linda Kosier*
