“ To have raised two such special people as you Allene & Lynn, I know your mom had to have been very special. My deepest sympathy is with you and your family.

“ Your Mom was more fun than any dozen mothers I've ever known. I always thought you were so lucky to have a Mom and Dad that could party a couple of 20-somethings under the table! It always seemed to me that your Mom was always ready for fun. She always had a smile and a positive word. If you and Allene weren't so much like her, I'd miss her like crazy but she did something right with you two.

“ My greatest memory of Charlene is that she was truly a "giver." The first time we met at Allene and Clay's little house in New Braunfels she accepted me instantly as if I were a prodigal relative. God bless all who loved her.

“ *I have very fond memories of Charlene while I was active in her Girl Scout troop way back when. She and Allen will always hold a special place in my heart (Charlene for her dedication to the Girl Scouts and the fun times we had and Allen for taking care of my 3 babies)My sympathy goes out to Lynn and Allene who I was very fond of as well. I know your mother will be missed but is in a far better place.*
