

## Fernando "Bugs" Moran

November 7, 1954 - October 30, 2022

Our Beloved Fernando Isaias Moran, age 67, of Cedar Creek, Texas was called home by Our Heavenly Father on Sunday, October 30th, 2022, into eternal rest.

Fernando (Bugs) was born in Austin, Texas on November 7th, 1954. He grew up in the Montopolis area off Thrasher Lane and graduated from Johnston High School in 1973. He worked for the Texas Department of Insurance and retired in 2004 after 30 years of service.

Bugs cherished the family land in Cedar Creek. He spent most of his life working to maintain the land and made it his home with his wife of 25 years, Collette (Coco).

Bugs supported his family in all their endeavors. From horses to military service and moves across the country to pursue dreams and careers, he was there to offer advice, common sense, and help his girls when needed.

Bugs was a strong-willed man, loving husband, great father, grandfather, brother, uncle, and a good friend to many people. He was loved by all who met him and will be greatly missed.

He is preceded in death by his parents, Jesse & Dolores (Reyes) Moran, his

sister Maria Yolanda Valdez, and brother, Albert Moran.

He is survived by his wife of 25 years, Collette Moran, his daughters, Lisa Moran, Danielle Deleon Guerrero, Sarah Martin (Aaron), and his granddaughters, Evelyn, and Scarlett Harvey; his sister Isabel Christine Gonzalez (Roy) and brother Joe Moran; his nephews, Amado and Abran Rocha and their families.

Funeral Service will be at 11:00AM on Monday, December 5th at Sacred Heart Catholic Church, 4045 FM 535, Rockne, TX 78602. In honor of Bugs and his love of sports and hunting, the family requests attendees to refrain from wearing black and consider wearing Dallas Cowboys blue, Houston Astros orange, Texas Longhorns burnt orange or your best-looking camo attire.

*I met the Moran Family in May 1976, when Yolanda offered me to stay with her family. The Moran family opened their doors to me with such acceptance and love. I remember Bugs with his sense of humor; I felt at home. My memory of Bugs, is waking up around midnight to see him in the kitchen with only the refrigerator light, pulling out fixings to make a sandwich. He would always offer to make me a sandwich and we would just laugh! I will always remember his smile. Bugs, thank you for being my friend! Rest in Peace.*

*My deepest condolences to the Moran Family.*

*My Bugsy! So many wonderful memories over the last 30 years... you were one of a kind .... A hardworking, honest, give the shirt of your back to help anybody kind of man that I truly respected. You were way more than a great friend - you and Coco are family! I am so sorry your life was cut short but I am so thankful there was no suffering. God knew you wouldn't want to be pampered and fussed over. Life won't be the same knowing you no longer share this earth with us but I know you are watching over all you love from a much better place! Love ya Bussy - until we meet again.*

*Bugs was a man of character with a big heart. We first met Bugs and Coco in 2002 when we boarded our first horse at their barn. He shared his knowledge and helped train Fury. (In turn we'd supply some Milwaukee Light). We became part of a larger group of friends who shared Easter celebrations, playdates, trail rides, campouts, and karioke. You have left us much too soon. One of a kind.*

*I met Bugs 16 years ago. Since the day I met him he has been a role model for myself, and my family. There isn't an important memory that I can think of that Bugs and Coco weren't at. I already miss the "Happy Veteran's Day" texts. The Go Astros, or Hook 'Em texts. Life will never be the same without you, but I'm am so honored that I was able to know you. Love ya Bugs.*
