

Fernanne Miller

February 21, 1963 - November 9, 2023

Fern Miller, a cherished mother, adored Nana, and beloved wife, passed away surrounded by the love of her family. In her passing, the world loses a radiant soul, but heaven gains an angel.

Marriage to Jimmy was a 39-year journey filled with love, understanding and unwavering support. Together they built a life marked by deep love and shared memories. Motherhood was a role Fern embraced wholeheartedly. Her three children--Talitha, Corey, and Kelsea--were her pride and joy. Each memory shared from laughs to life's challenges is a testament to the depth of her love. Her six grand-children--Ripley, Elin, Gregory, Emersyn, Lynden, and Lily--held a special place in her heart bringing immeasurable pride and joy into her life. She had a special relationship with her only daughter-in-law, Megan, and shared laughter, tears, and respect. Fern embraced her sons in-law, Roy and Trey, and shared wonderful memories with them. Her bond with her sisters, Yon Hui and Hae Jung, was unwavering. Many hours were spent discussing life, sharing joy, and supporting one another through challenges.

Professionally, Fern was immensely proud of her career as a registered nurse. Her education and the opportunity to care for others were a source of great pride. Outside of work, she channeled her creativity into crafting beautiful pieces that were a reflection of her soul. Fern's garden was a testament to her nurturing soul. Amongst the plants and under the warmth of the sun, she

found solace, peace, and happiness. Her green fingers tended not only to plants but the hearts of those around her.

In Fern's passing, we reflect on a heart that loved deeply and a spirit that touched many. She will be profoundly missed but forever remembered. Fern's spirit will forever bloom in the garden of our hearts.

“ Dear Miller and Bell family, my sincerest condolences on the passing of Fern, it has been a very long time since I have seen any of you in person and some I have only met on Facebook, I am Ferns cousin Bethany, her mom was my Aunt Ramona, my mom and dad are Aunt Matilda and Uncle Dan, I recall very good times spent with Fern and my other cousins when they visited Michigan in the summer, we went camping, swimming at the lake, swinging on barn ropes and as we got older some fun that I won't mention so as to not incriminate anyone, my thoughts and prayers are with you, peace at this very difficult time

“ Aunt fern you were a true bright light in our family, Tough like your mom and a great soul just like hers to. I'm sure you, Grandpa and grandma are watching down on us now. You sent me the most thoughtful gift for my baby shower and that gift has seen not 1 but 2 children grow and get use from it. Honestly my favorite memory was You meeting my wife, Over the course of a couple day's even she could see how great of a person you were. Warm and loving, thoughtful and inquisitive. Even though you did lock us out of grandmas house in 21 degree weather and i had to go to uncle johns to get a spare key those are the kind of memories worth making and having. May the road rise up to meet you. May the wind be always at your back. May the sun shine warm upon your face; the rains fall soft upon your fields and until we meet again, may God hold you in the palm of His hand

“ Fern was more like a sister than a sister-in-law. Over the years, we have shared laughter, joy, and sadness. I was heartbroken when I found out about her illness. Her passing has made me think about a song I can only imagine. I can only imagine how she felt when she saw Jesus. At first, I think she was in awe, but I can see her smile as she begins to dance in his glory. What a wonderful site! I think back at us playing softball. I would get lucky sometimes and get to play with the Adults (lol) if someone didn't show. Fern was an excellent ball player, and she put her all into playing. She also put her all into her family. I think back and see her stuck between third base and Homeplate in a hotbox. She wanted so much to stay and be with her family, but Jesus kept calling, and she would pull closer to home, hear her babies calling, and get pulled back to third. Jesus kept calling, and finally, she would slide into home-based, but this time, she would be safe in the arms of Jesus. I will greatly miss her! I loved her more than I can say, and I am very thankful for the last time I got to hug her and tell her I loved her, and she told me she loved me back.
