“ *Bubba was by all accounts a gentle giant. I remember the stories my Mother told me of his premature birth. How he was so small they put him in a drawer with warm bottles as a make shift incubator. I remember us clowning and playing around at the old homestead. I remember him coming to pick me up at nursery school to walk me home and how I had trouble keeping up with his long strides. I remember him coming home to visit and always stopping by and certainly stopping by to check on Mother anytime he came to town. While Ciach Gamble and I were reminiscing, he also mentioned how Frank always stopped by to visit him also and what a kind soul. Although our contact was not frequent, I will miss the times we had and cherish the memories always.*

“ Mr. Harris was a very good friend. He was thoughtful, generous, sincere and had a heart of pure gold. We would often talk about the military, soap opera stuff, and the latest shows he was watching on television. I am going to miss our conversations. They served as a way to keep in touch and see how he was doing. He never complained about his health. He would always say, " I am alright." I often thought about VA not granting him 100 percent because I felt he was so deserving. My prayer is that he is in no pain now. I appreciated Frank and all of his help at the Trimmier campus. I will miss him dearly, forever because he was the best kind of genuine friend. God bless and my deepest sympathy to the family. Prayers are being lifted for you.
