

Geneva Sue Peña

October 25, 1947 - October 11, 2022

Ms. Geneva Sue Peña was born October 25, 1947, to Ruben Brown Barnett & Mertie Gieger

Barnett and passed away Tuesday, October 11, 2022

Sue resided in Austin Texas with her 7 children; Louis Sidney Peña, Sheana Denea Prince,

Sandra Louise Arocha, Stacey Lynette Peña-Kambeu Kamsu, Salina Diane Peña, Scott

Vincent Peña and Samantha JoAnn Peña; 23 Grandchildren and 13 Great-Granbabies, the

last one arriving just 3 days before Sue left to be with the Lord...

Sue worked at Roy's Taxi for 16 years, and a few other cab companies for years, driving and

dispatching. Before that, Sue was a full-time stay at home Mom! Sue loved being a cab driver

because she was a natural at navigating and socializing. There were hardly ever strangers,

as far as Sue was concerned. Sue made friends with everybody!

Sue taught her children many things. She taught them how to walk and talk, to read and

write, how to obey God's word, to do chores, and how to take pride in your work. Sue taught

them how to Worship and Praise God, how to sing church hymns, how to read

the bible and

be thankful for God's son, Jesus Christ!

With Sue's skills, she taught her children how to memorize children's songs, nursery rhymes

and hymns, then taught her children to use those same skills to look after babies or rock

them to sleep. Sue taught her children how to tend to a garden, sew, cook bake, make

tortillas and iron clothes. All the life skills Sue knew, she shared with her children.

Sue was always willing to help those in need, or to teach those who needed teaching. If you

had a question that needed an answer, Sue was the person to ask because you were probably

going to get a great answer. Sue took pride in being very smart and creative and being

completely humble when sharing her gifts to help others. If you were in need of a spectacular

meal, you were in luck, if visiting Sue's home! Boy, let me tell you what, if there was a 'dinner

on the grounds', you best believe that something good had been made and brought from

Sue! Sue really enjoyed having others enjoy her cooking!

Sue also loved cuttin' up and laughing. Sue was quick witted and playful! She loved singing

and dancing. She had a collection of 45's and a small lil' record player that she shared with

her children.

She loved that she taught her children music! Sue once was a Sunday school teacher and made sure her children knew the Ten Commandments and would live life with

those as a guidance.

Sue had an infectious Smile and a Heart of Gold! Sue had a hard life sometimes, but also

had a Good life, and prayed that her kids would learn from her and strive to keep the Good

Stuff and throw out the bad to create a better life for All who come after her!

Oh Yes, God broke the Mold when He made Sue! We All know that there is a Beautiful Place

in Heaven for Geneva Sue Peña! We know Sue is Rejoicing with all her siblings and parents.

Sue is proceeded in death by her parents Ruben B. Barnett and Mertie G. Barnett, siblings

Patsy Barnett, Ruben Bryan Barnett, Harold Leon Barnett, Gordon Barnett, Linda Daisy

Johnston and grandson Marc Thomas Arocha.

God has gained a Beautiful New Angelic Soul, who is dancing with Delight on the Glorious streets of Heaven!
