“ Your Dad uplifted us at Mt Bethel with his voice and dedication to lifting his voice in song. Praying that you'll find comfort in your memories of him and feel his love surrounding you. I have such fond memories of him as well as we rehearsed a song over and over with the tenor section to sing the next Sunday until our Minister of music, Ms Gayle was satisfied. He was so funloving with an amazing voice that he so willingly shared. When he would lead the song, he would "bring the house down"Thinking of you and your family mourning with you and praying for you GOD BLESS YOU!!!! LOVEYAMUCH

“ To; The Brown family, God used your Father in a mighty way in my life. George would sing the song: “come on in the room” and that song went straight to my heart where I was able to hear from God. I will never forget that for the rest of my life. Also we had many interesting conversations. It was a privilege and honor to meet a man of hi stature. We are praying for God to comfort the family .
