

Grace Henicke

March 27, 1949 - June 14, 2024

Our beloved Grace, a beautiful kind soul and an awesome example of how one should live in this world. She was an amazing, precious, loving wife, caring mother and grandmother plus a faithful daughter and friend of many. Grace was born in the beautiful mountain range Las Sierras of Cordoba, Argentina in the town of La Falda. While growing up there she learned to speak Oxford English and her first job was teaching at a British Boys School in Argentina. Always having a heart to know God she left that job to work with a Missionary outreach in Asuncion Paraguay for 2 years. She later returned to Argentina where she ended up meeting her now husband Frank before moving to Atlanta, Georgia, where they had their son before finally moving to Killeen, Texas.

Once there, she obtained a Master's at Sam Houston University in addition to her Bachelor's from Cordoba University Argentina. She then studied to become a teacher with the State of Texas and started teaching at Memorial Baptist Christian School, followed by Ellison 9th Grade Center, Shoemaker, and then Harker Heights High School where she taught ESL for 18 years. Grace was blessed with a son Paul Henicke, daughter in love Jennifer Hammon, grandson Connor Henicke, and beloved husband Frank Henicke, with parents Nicholas and Elsa Popea. Grace Henicke passed in the early hours of Friday June 14th in her home with her husband Frank Henicke by her side. The family asks that you respect their privacy during this time.
