ANTAR, Hassan

Mr. Hassan Antar (1947-2014) was born in Roxbury, MA. He was a dedicated father, generous friend, respected martial artist, gifted educator, and established graphic artist who left his physical body in August of this year. His spirit is now with the creator surrounded by his cherished mother and baby sister. He is survived by what he always deemed his true legacy-his five children: Daoud Antar, Jamal Antar, Jibril Antar, Chantee Kenya Joyner Antar , Naiya Tselane Rountree Antar and five precious grandchildren. He earned his under graduate degree from Antioch College in Yellow Springs Ohio and a masters degree in education -his life selfishly embodied helping others reach their potentials. His heart soared when he travelled to some of his favorite places: San Diego, Las Vegas, Honolulu, Monument Valley, Puerto Rico, Arizona and Hong Kong. Your family and friends miss you Hassan, now and forever.

“ I met Hassan when he attended Antioch College. He actually introduced and taught me about reading Tarot cards. We became great friends. He was a warm, caring and spiritual soul. There was nothing about him that was negative in anyway. There is so much I can say about him. I've been thinking about him off and on lately so I thought I'd see if I could look him up. I am greatly grieved and saddened to learn he has passed. I must break the news to my family who loved him and his peaceful nature.
