“ Grandma,

*I will miss you. I still remember the times we sat on the back patio of the house in Berwyn watching storms roll in. Or, that time I got my fingers stuck in the hand mixer and we laughed after the fact. Those we good times. You will always be close by, in my heart. I love you.*

*Your granddaughter,  
Jennifer*

I will always cherish the memories of growing up next door to you and grandpa!
