“ So many Girl Scout memories with Jackie and her daughters. Such a fun, wonderful, and joyous person to be around. We reconnected in Mesa Arizona and shared fun stories with each other. Thanks Valerie, for having her near you. She cherished the time she spent with you and her grandchildren. Joyce (juice) Mclean Nedved

“ I appreciate Jackie so much, much like my sister, because she was always aware of me, of all the things. In this sad day, we all want to say see you later to her and assure that her soul will rest in peace. Jackie has left a hole in my heart but I am so glad so she is no longer in pain. I want her to soar high and proud. Jackie was and will always be my best friend. I will love you for eternity my dear sweet and wonderful friend. The heavens opened up and welcomed you with such smiles and love. I can see you and your wings though they may be a little long. Please don't fret as we have so much love from you and memories that will last until we meet again. Jackie I love you so much.
