“ *Still can't believe you aren't at the other end of a text or call. I miss you so much. You've left a Texas-sized hole. The last time I saw you was at Dad's birthday - very good times. Thank you, Margaret, for posting that pic of us at the party.*

“ *We have lost Big Jeff way to soon. He was a gentle giant and had a way of making his presence known and bringing a smile to our face anytime we saw him. So glad that we were able to hang out with him a few months ago. That now has become a very special memory.*

Margaret, we are so sorry for your loss. You brought Jeff his happiest days. God Bless you and his family.
