Jerry Blaine (Bubba) Cospers

October 28, 1964 – June 4, 2024

Our dear “full throttle” Jerry Blaine Cospers was called home on June 4, 2024. He had a bigger-than-life personality and a heart just as big. We find comfort in knowing that Bubba’s struggles are finally over, and he is now at peace; and we are grateful in knowing that Jerry is with his son, Cameron and his parents, Bob, and Mavis Cospers. We will tremendously miss him – hopefully, his full throttle has dropped down to a moderate speed. We pray that the Heavens can handle you, and we have no doubt that you are “stirring it up!” Jerry is survived by his beloved son Blaine Cospers, daughter-in-law Ashley and three beautiful grandchildren of which he loved being their “PeePaw.” A brother, Murry Flowers; a sister Camie Flowers; several nieces and nephews; and a “couple of strays” that Bob and Mavis picked up along life’s way; and his cool little doggie Jaydub.

Bubba was appreciative for his tree service customers and took such immense pride in a “job well done.”

There will not be a formal service, a life celebration will be planned in the future. Please take some time to appreciate your loved ones in Jerry’s honor. After all our memories are all we really have at the end of life.

You were and we will be forever loved, missed and never ever forgotten.

Until we see you again ... life goes on.

“ You've been gone a while, Jerry, and you are missed. The trees in the Austin area wish you were still around, and so do I. I guess you must be a ghost rider in the sky, now: Yippie-yi-o, Yippie-yi-yay, my brother!
