“ *I met Jerry on Facebook through a Vietnam site.
Jerry was an awesome man. He dearly loved his family,country,teasing me because his tomatoes always produced more than mine and earlier.
He always had a great sense of humor but mostly Jerry loved God, and his family.
He always loved taking COS to get her hair done and go shopping.
Jerry worried me because he didn't slow down.
Jerry I wish I could have met you in person.
You were a fantastic man and a hero in my eyes.
I send my most sincere condolences to his family.
Jerry will be missed*
